

Psalm 23

G D Em
Lead me beside the springs of life
 C G
Come lay me down in fields of green
 D C
I have grown tired, I am so dry, I need your touch

G D Em
I am hard pressed, I am afraid
 C G
Sometimes I fall and lose my way
 D C D
But through it all, each step I take, your word remains

G D/F#
Come now my shepherd and I will not want
Am Em D/F#
Make me lie down in the fields of your love
G D/F#
And lead me beside the still water of life
Am Em D/F# G
Restore my soul, take me into your arms

G D Em
What shall I say, amazing grace
 C G
That you can look upon me still
G D C
What shall I sing, amazing love, again and again

G D Em
But still I'm weak and still I'm tired
 C G
And still I'm reaching for your hand
G D C D
And still your love it is enough, forever enough

C G/B D
Now what is this? My cup is full
C G/B D
A table laid in front of me
C G/B D
Your goodness and your mercy flow, forever and ever
