Creation calls, beckons me to see  
C/G G D Em

G C/G G

'Cause all creation groans and my spirit strains  
To see the glory of

G D  
Your majesty, your face of love  
Em C  
Your hand of grace reached out to us

G D  
The great I AM, Living Word  
Em C  
The maker of the universe

G C/G G  
So lay me down in fields of green  
C/G G D Em  
In fields of green, till it's you I see  
G C/G G  
Still my soul, whisper words of peace  
C/G G D Em

G  
Open my eyes let me see your glory  
Em C  
Open my eyes let me see
