

Follow Your Heart

C/E F
We know that You're the Messiah

C/E F
We know Your words are life

C/E F
And so we come to the river

C/G G
To the waters that will not run dry

C/E F
To the hope of tomorrow

C/E F
To the dawn of the day

C/E F
To a love that will never leave

C/G G
To life that will not ever fade

Dm C/E F G
You are our God, You are our God, You are our God, and we say

C/E F C/E Am
We will look to You, Jesus, and wait on Your word

Dm G
Follow Your heart, follow Your heart

C/E F C/E Am
Then we'll walk where You lead us, go where You send

Dm G C/E - F - G - Am
And follow Your heart, 'cause on Your heart we depend

C/E - F - G - C

C/E F C/E F
So we're willing and open, though full of doubt and fear

C/E F
That we're not ready or able

C/G G
Though You said that You'd be standing here

C/E F C/E F
And that You'll never leave us, You won't let us go

C/E F C/G G
You go before us, And You're always at the end of the road
