

# Have you seen (Rain on us)

---

**G**  
Have you seen, have you seen the stars tonight  
**Em**  
Have you heard, have you heard the songs of life  
**C** **G**  
Open up your eyes  
**G**  
Can you feel, can you feel it won't be long  
**Em**  
It's breaking through, I can hear the angels' song  
**C** **G**  
Open up your eyes

**D** **G/B** **C** **D/C** **C** **D/C**  
Our God is near, even in this place – our God is near  
**D** **G/B** **C** **D/C** **C** **D/C**  
Our God is near, meet Him face to face – our God is near

**G**  
Rain on us [Lord / please/come]  
**Em**  
Rain on us [Let your Spirit / Overflow &]  
**C** **G**  
Rain on us, again [Send your healing / God we need you]

**G**  
With a hand stretches out the universe  
**Em**  
With a hand, majesty unfurls  
**C** **G**  
Open up your eyes  
**G**  
With a word He calls the day from night  
**Em**  
With a breath, breathes the dead to life  
**C** **G**  
Open up your eyes

**C** **Am / Em / Dsus**  
God we need you ...  
**C** **Am / Em / Dsus**  
Oh how I need your Spirit in me ...
