

Three more days (Love)

Dm Dm/C Bb Asus A
Three more days, just three days, to change the course of history
Dm F/C Bb
And all of time seemed to hold it's breath
Dm Dm/C Bb Asus A
The earth cried out, heaven screamed, no one seemed to notice
Gm7 Asus A
The Son of God hung upon a tree

Bb F C
Love broken, Love run down
 Dm Bb
Love torn from heaven to the ground
 F C
Love wide open, Love poured out
Bb F C
Love promised, Love fulfilled
 Dm Bb
Love given for a dying world
 F C
Love freely overflowed (x2)

Dm Dm/C Bb Asus A
Step by step, bleeding still up the hill He carried
Dm F/C Bb
The weight of love pressed into His back
Dm Dm/C Bb Asus A
Lifted up on a tree, prophecies fulfillment
Gm7 Asus A
O my God was it all for me?

Dm C/E F
Surely this was the Light of Life
 Gm/Bb Dm
Surely this was the Promised One
 C/E F Fmaj7
Surely this was Our Saving Grace
Dm C/E F
Surely this was the King of Kings
 Gm/Bb Dm
Surely this was our Price of Peace
 F/C Bb
Surely this was the Son of God
